

Gymnastics Uniform information

Sydney Gymnastics Centre has a uniform policy that requires all athletes to be in club attire at every training session. Having a set uniform ensures that athletes are always wearing clothes which do not restrict movement and are form-fitting to allow coaches to observe form and assist shape. It also provides a sense of uniformity among our gymnasts.

All club training and competition leotards for both boys and girls are available from reception. Below are the current uniform requirements for both Recreational and Competitive Gymnastics.

For all enquires and current prices please speak to Member Services or contact us on 98515811.
